Annual Veteran's Membership

Founded in the '70s, FCP is the leading
community support and advocacy organization for
the aid, operation and preservation of Luke AFB.

With more than 90,000 veterans in Phoenix and
an additional 600,000 statewide, Arizona is
fortunate to have many dedicated patriots who
have faithfully served our county. To help insure
that this select group has the latest information
on Luke AFB and Veterans issues, the Arizona
Department of Veterans Services, Credit Union
West and FCP have teamed up to offer a special
membership that informs and educates this
important and influential audience. Please look
inside for the many benefits.
